

Remarks

Upon entry of the foregoing amendment, claims 15-40 are pending in the application with claims 15 and 32 as the independent claims. Claims 1-14 have been canceled without prejudice to or disclaimer of the subject matter therein. New claims 15-40 have been added. The specification has been amended to add a cross-reference to related applications; to correct typographical errors; to provide the SEQ ID NO's next to the specific sequence; and to direct entry of this sequence listing after the claims of the above identified application. The amendments to the specification and the claims presented herein introduce no new matter, as they are fully supported by the original specification and claims as filed. Accordingly, entry of this amendment is respectfully requested.

In accordance with 37 C.F.R. § 1.821(g), this submission includes no new matter.

In accordance with 37 C.F.R. § 1.821(f), the paper copy of the Sequence Listing and the computer readable copy of the Sequence Listing submitted herewith in the above application are the same.

Summary

It is respectfully believed that this application is now in condition for examination. Early notice to this effect is respectfully requested.

Respectfully submitted,
